NARRATIVE

Report Date: 08-04-2023 11:57:00

The Sarasota County Sheriff's Office received NCMEC Cybertip 159572260, by and through Microsoft-Online Operations. Microsoft reported on 01/15/23 at 19:41:52 UTC a Microsoft user utilizing I.P. address 2601:704:480:890:a938:7e83:897e:a914 uploaded one image of suspected child pornography to a Microsoft server. I viewed the image. The image consist of an approximately 10 year old female child being forced to have sex with an adult male.

During the course of the investigation the defendant Andrew Morris was developed as a suspect.

On 08/02/23, after a Post Miranda interview and obtaining evidence from Andrew's computer Andrew was subsequently arrested for 2 separate counts of Possession of Child Sexual Abuse Material (Child Pornography).

On 08/03/23, an image and video of a [REDACTED] being touched and physically forcing apart her buttocks to expose her anus, by Andrew were located on his computer.

A forensic examination was conducted on Andrew's computer. The examination revealed over 100 additional images of female children in age from approximately 5 to 12 years old. The children were being forced to expose their vagina, breast, and anus. In some images the children are touching an adult male penis.

In no less than 2 images an approximately 5 year old nude female child is bound by her ankles with red and black restraints. In a another, an approximately 12 year old nude female child is bound to a wall by her wrist and ankles forcing her legs open.

Based on the evidence and Andrew's statements, I believe there is probable cause to charge the defendant Andrew M. Morris with 40 separate counts of violating F.S.S. 827.071(5) Possession of Child Sexual Abuse Material (Child Pornography).

Further, because the defendant possesses more than 10 images and one or more of the images possessed depicts sadomasochist abuse involving a child, this is a violation of F.S.S. 775.0847(2)(a)(b) which enhances each charge to the next degree higher.

This did occur in Sarasota County, FL.
